

## ↘ PROFESSIONAL EXPERIENCE.

Landor&Fitch  
Design Agency  
JUL - AUG 2023  
2 months

Given the intriguing experience I had in this agency, I decided to pursue an additional two-month internship to further expand my knowledge. During this internship, I had the opportunity to contribute to the development of Solvay's graphic charter.

Landor&Fitch  
Design Agency  
JAN - FEB 2023  
2 months

During this internship, I gained valuable insights into the intricate process of shaping and maintaining a brand identity for major corporations, with a particular focus on my involvement in developing and implementing the graphic charter for SNCF Réseau.

Didier Deroin  
JUL 2022  
1 month

Work mainly on print. Posters, packaging and the complete design of a vinyl box and a CD box, for IAM. This internship has brought me a lot on the professional world. It has consolidated the rigour I bring to my work.

Men's communication  
Graphic Agency  
JUL 2021  
1 month

During this internship I worked on design logo, restaurant front and the development of graphic charter. That period took me forward in my work. It taught me to make the images more logical and to have better graphic coherence.

Mcdonald's - Sénas  
AUG 2020 - SEP 2021  
1 year

I mainly made «great» burgers, this work also allowed me to learn how to handle pressure and work effectively. As well as managing studies and work, which brought me a lot in maturity.
